

REACH (205) Statement

Updated 16th January 2020

To all Customers

The products that Flexo Springs Ltd manufacture and supply to customers are classified as “Articles”.

Our suppliers are fully aware of their obligations under REACH and none of the articles that we supply or their packaging contain any products referred to on the list of substances of high concern (SVHC).

As such, we do not need to register any products under the REACH regulations and we are in full compliance with the legislation.

Yours faithfully
